Vision and General Information

Waiākea High School will provide a strong foundation for students to grow into contributing members of a democratic global society. The Waiākea High School Intersession Program is designed to meet the needs of its students in an environment focused on success and self-awareness during the summer session. The program is open to Waiākea High students entering grades 10-12, with exceptions noted in the course catalog.

If you have any questions about the summer program, please contact the Director, Mrs. Esther Kanehailua, at (808)974-4888 x237 or esther_kanehailua@notes.k12.hi.us.

Registration and Payment

Intersession spaces are open to current Waiākea High students that have submitted a completed application and fee payment by Tuesday, May 17, 2016. Checks should be made payable to *Waiākea High Summer School*. A \$25 service fee will be assessed for all returned checks.

An incomplete application or lack of payment will delay the registration process; during which time, requested classes may close before missing requirements are received.

Please send payment with application. Place will not be reserved for applicant until tuition has been received.

Application will be available to prospective intersession students from the Waiākea High School Main Office or Registrar's Office.

For application information, please call (808) 974-4888. The Summer School Director reserves the right to cancel any class should enrollment fall below minimum allowance. Early registration is recommended as courses fill quickly. Applicant will be notified if his/her choice is not available.

Attendance

The Waiākea High School Summer School has a strict attendance policy. Daily attendance is critical if students are to master course materials. Absences due to family trips and vacations, games, and/or athletic tournaments are discouraged and students who are unable to commit to the full program should not apply. Schedule all dental, doctor, and other appointments in the afternoon after class is dismissed.

Absences will affect student progress reports and/or grades. Excessive absences will lead to disciplinary action, which may include reduction in course grade, not earning course credit and/or release from summer program without refund.

Students shall lose credit status if they miss more than two (2) days of class in the semester session, and more than four (4) days of class in the year session. It will also result in release from the program.

A tardy after 10 minutes at the beginning of the school day will equate to one (1) absence, added to the student's count. A tardy or absence at the beginning of the second session of the day will result in one (1) absence.

Student Credit

Students will receive a final report card with letter grade of A-F as an evaluation of their work. The final report card will be available at packet pick up in July.
